

I am Carleen Wood and I do Voice Over work in the Boston/Providencearea.

I am a senior citizen still game and able to work. I have been an AFTRA and SAG member since 1951. My husband and I have worked in the television and radio media for years.

Musicians young and old need to be heard in local radio. You must not take their livelihood away from them.

The FCC should stay out of local programming.

Uh-uh

The local stations should define themselves.

Yup

Payola? Still?

WE NEED OUR LOCAL TALENT BECAUSE THEY NEED THE JOB. DON'T LIMIT THE LOCAL TALENT WHO MIGHT HAVE BEEN DOING THEIR JOB FOR YEARS.

LOCAL ARTISTS ACROSS THE BOARD.

ANYTHING WOULD BE GOOD TO KEEP JOBS FOR THE PEOPLE WHO NEED THEM AND TRAINED FOR THEM, LOCALLY.

THANK YOU FOR ADDRESSING THIS ISSUE AND COMING UP WITH WHAT THE PUBLIC NEEDS AND WANTS IN YOUR VOTE.
